James... you are a very bad man.
Did you see your wife's face ?
You brought me while your wife was at home.

My, my ... a noble boy was peeking ?
That is a bad habit.
Tell me though.
What did you see ?

I can see your sagging breasts. Why don't you close the gown.
Noble madam.

Father ...
I am going to kill him ...
I swear ... one day ...

Don't say such a statement, Ray
I can't never tell whether you are joking or being serious, so don't say such words.

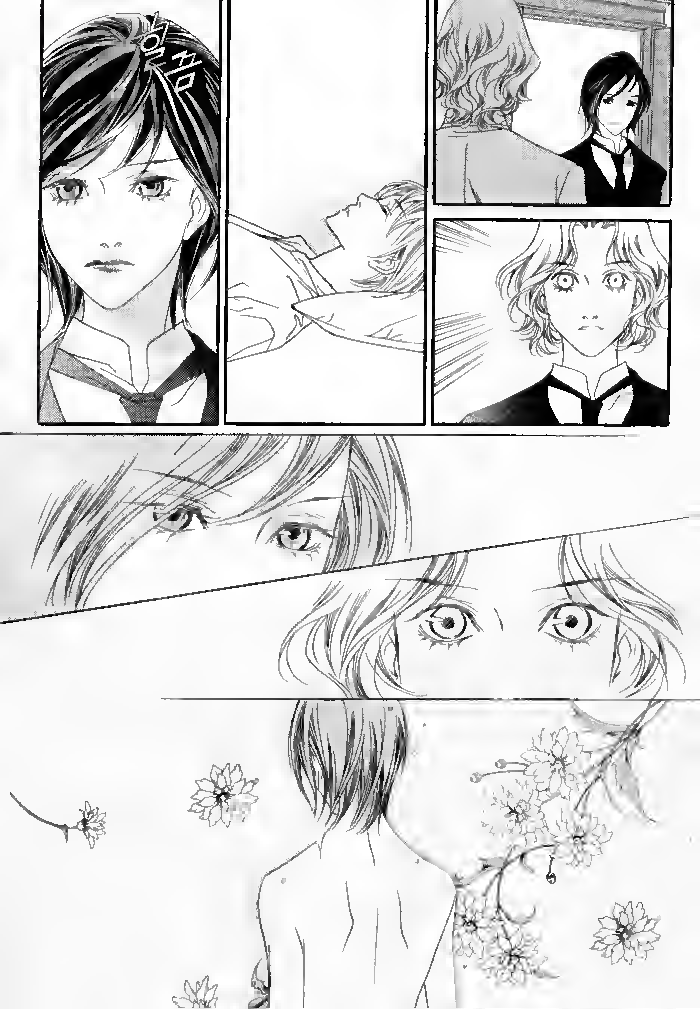
Raymond story

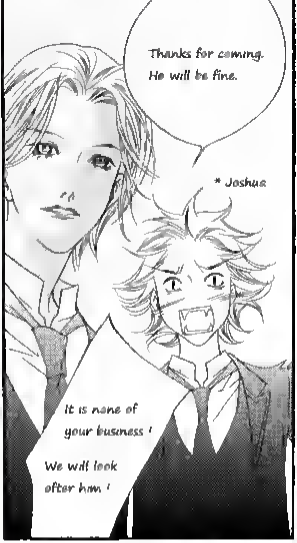
It's alright ...
You can continue sleeping

Did she come out from Euan's room ?

Shouldn't he be transferred to a hospital ?
It's alright He will be fine after some rest
If you say so_ contact me if anything happens

He's been doing okay recently.
Besides, it wasn't the ...ay yet.
Though he acted strange since the race.
It's all because of him
Can't be ..
Knock
Knock
Excuse me..
I was wondering ... how he was doing





Thanks for coming. He will be fine.
* Joshua
It is none of your business !
We will look after him !

Joshua, why is your face all red ?
Very well, excuse me.
Joshua, you hurt his feelings.
What are you talking about ?!

You two, leave also
I will send him home if he shows any more abnormalities
See We are being kicked out.

JANIMES.COM

Brother ?
Why am I in his room ?

Ray ~
You woke up
Are you alright
now ?
?
Thanks to you,
I got a cold.
I tried to act fine
but I was getting
fever so I am going
to lay down in the
nurse's office.

Have a cold because of me? What is he talking about?
I guess you don't remember anything
You were sleeping walking, so I guess it makes sense.
If I hadn't found you, you might have gotten hurt badly
You almost fell off the school fence.
Do you sleep-walk often ...

What did you see ?!
What ?
What did you see ?!
Did I say something to you ?!
JANIMES.COM

Nothing...
You didn't say anything.
You looked like... you weren't yourself and was just walking away.
All I saw was... your eyes that were vacantly looking somewhere far in the air...

I did it ...
I did it
again ... ?
Are you
alright ?
Shouldn't you
go to a hospital ?

Oh, you are up.
Brother .. take me home ..
Why all of a sudden ?

Just take me home !
Why did you let me wander off like this again ?!
Just take me home and lock me up !
I don't want others to see me like this

It's alright, Ray ...
I've been watching you and you've never done "it" again
Don't worry and be easy
Will I ..
be alright ? I won't do "it" again, will I ?
Hint Requiem 2 page 30 & 31
Of course ..
Of course

Why do you wear the shirts under pajama?
I don't want to bother taking it off
But then the shirts will get dirty
It's not like I have to launder it.
You are right.

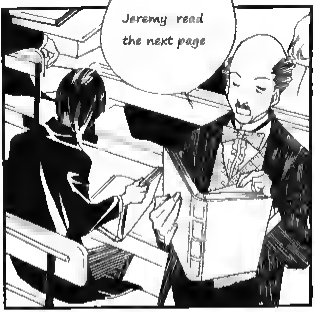
Joshua -
If I talk in my sleep or do anything unusual, wake me up and let me know
I will let you know
Don't worry

END
JANIMES.COM

What's wrong ? Did you have a nightmare ?
What are you doing ?
What are we doing ? We are dressing up to attend the morning prayer session.

... Out
What ?
Get out of my sight right now !
You don't need to yell
We were leaving anyway

Scream
* Obvious hint : Well..., Joshua seems to have ejaculated in bed ...
What's wrong with him lately ?



Jeremy read the next page

Eh ?

Jeremy, what are you doing ?
I am sorry but I cannot read Latin...

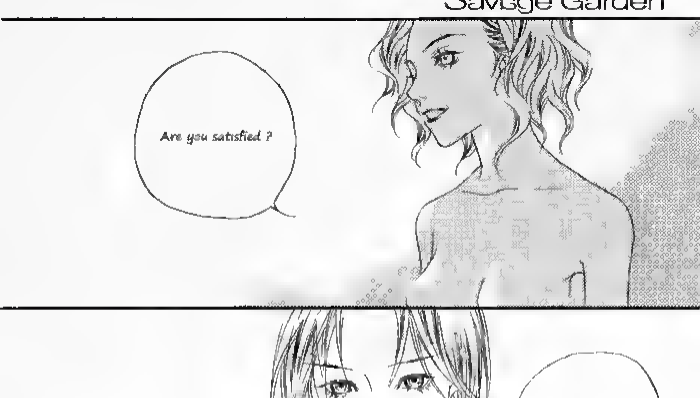
This is shocking, unbelieveable
You can't read Latin ?
What should i do in this situation...
Raymond.
You are the best student in Latin class. I want you to teach Jeremy here so that he will be able to catch up with the rest of the class.
Eh....
What ?!

His face ... ouch.
He didn't have to show so clearly that he didn't want to do it.
Full of hatred...

What are you doing ?
Ah ...
I was taking care of the bed sheets.
But you aren't the one in charge of bed sheets.
Does that mean I am not allowed to do it ?
Eh ..
Actually ~
I was asked to do this by a fellow maid

Um...
May I ask...
What you two were talking about in the hallway earlier today?
With lord Kensington (Raymond)
Why do you even ask?
I was out of my place.
It's nothing
Excuse me.

Are you going to Euan Kensington's room again ?
How is this ? Do you think he will like it ?
People like him won't be serious about people like us.
Don't worry.
I am not serious, either
In the end, it will be only you who will get hurt.



Are you satisfied ?
I am satisfied.

You are not serious, you say ?!
How dare she claim so when she makes sure that no other maids approach him ?!

I haevn't got a whole day Come on.
Ah, sorry
What are you two up to ?
Ray is going to teach me Latin
Roy will ?
He'd take on such a chore ?

What's this ?!
This is all you've been doing in Latin classes ?!
What was I supposed to do... I couldn't understand anything
You know nothing ?
Nothing at all ?
What did you do when you were growing up ?
Aw, darn, oh well time to start with the basics then

Well, for the start there are two kind of vowels.
a, o, u and e, i
Pronunciation is easy when it comes to single vowels.
But you need to be careful when there is an "e"

JANIMES.COM

In case, there is "c" ...
There is a rule to its pronunciation
You follow whatever the first one ~

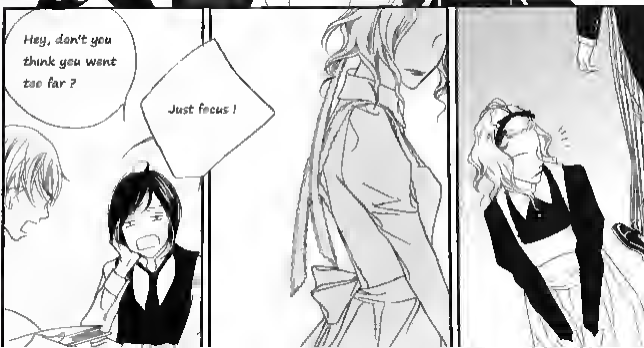
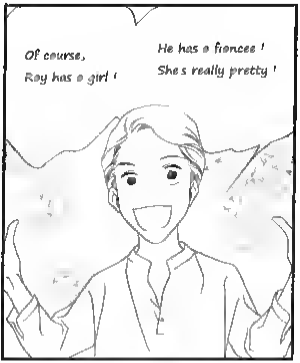
You
Stop doing that.
I am sorry but I do not understand
If you glare at me like this once more,
I will have you punished.
I think you are mis-understanding, sir
I was merely performing my duty here.

Argh ..., this is embarassing ...
Isn't that maid ... Euan's girlfriend though ?



Hey, don't you think you went too far ?
Just focus !

Do you have any girl in your mind ?
Why do you ask such a question all of the sudden?



Of course, Ray has a girl !
He has a fiancee ! She's really pretty !

What ?
He has what ?!

I can't believe this ...
He has a fiancee ? With that dorky personality ? Not fair

And I don't even have a fiancee !
Hold on a damn sec...
What's gotten into you ?
Aaaack ! This is so wrong !
Why would I need a fiancee ?!
Gone again ?!
Didn't you say something else was gone the other day ?
Do you think there is a thief at the campus ?
Well, it's nothing expensive but ...

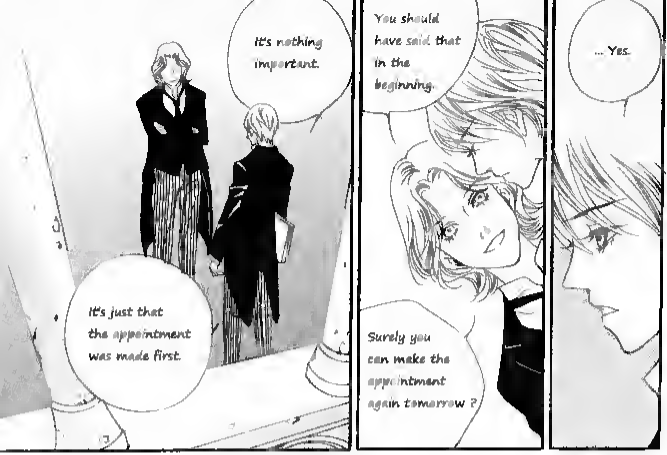
I have an appoint-ment.

Appointment ?
What appointment ?

Is that appointment more important then me ?
What ? What are you saying ?
I said that I prepared the place for you and you put the "appointment" on a higher priority ?
Who did you make the appointment with ? Is that someone more important then me ?
What kind of appointment would warranty such an action from you ?



It's nothing important.
It's just that the appointment was made first.
You should have said that in the beginning.
Surely you can make the appointment again tomorrow ?
... Yes.

You do know that I have no interest in such a place
it's not what you think. Come on, let's go in.
